# GRAND JURY RESUMES ITS PROBE TODAY

## TWO RANGERS ARE STILL WORKING ON IKE BUF- FIN MURDER CASE.

The grand jury met this morning after a recess of yesterday and resumed its investigation of the Ike Buffin killing in the eastern portion of Harrison county last Saturday night. The jury will probably be in session all day tomorrow as there are a number of witnesses to be examined.

County Attorney J. T. Casey stated that there was nothing that could be given to the public just now, except that the grand jury was still at work and would be in session all day tomorrow.

Rangers Glasscock and McCown are still in the east end of the county, working on the Buffin case.
