

GREEN OKRA, NEGRO, PLEADED GUILTY TO BURGLARIZING A STORE AT GREENWOOD.

Two convicts from the state penitentiary were brought to Shreveport under summons at District Attorney Mabry's request to testify in a case against Green Okra, another negro, charged with burglarizing the Alexander store at Greenwood, La., last January, but were not needed, as Okra decided to enter a plea of guilty and beg for the mercy of the court. Sentence was deferred by Judge Webb.

Three other negroes, including the two convicts brought here to testify against Okra, previously pleaded guilty to the Greenwood burglary.

Duncan Negress Guilty.
