

SANDERS THINKS MAY BE ARRESTS IN BUFFIN CASE

Sheriff Sanders stated yesterday afternoon that there is still likelihood of there being arrests made in connection with the slaying of Ike Buffin, near Waskom, some time ago.

Mr. Sanders states that only in this instance out of 15 murder and assault to murder cases have officers failed to arrest parties believed to be responsible for the crimes. Mr. Sanders thinks this is a good record for the officers, who, he says, want to make it perfect by arresting the right parties in the Buffin case. Mr. Sanders says there is a probability that this will be done, as officials are still working to obtain evidence.
