## GI in Germany

Army Pvt. James H. Buffin, 22, son of Mr. and Mrs. Kirk Buffin, 1704 East End Blvd., S. recently completed an orientation course designed for soldiers who have just arrived in Germany.

Emphasizing the role of each serviceman as a goodwill ambassador for the U.S., the course included a brief study of European history, familiarization with German customs and suggestions for taking full advantage of off-duty time while stationed in Europe.

Buffin entered the Army last September, completed basic training at Fort Benning, Ga., and is a clerk typist in the U.S. Army Garrison in Nurnberg.

He was graduated from Phillis Wheatley High School, Houston, and attended Texas Southern University.
