RANGER ASSISTING PROBE OF KILLING

Associated Press.

MARSHALL, Texas, July 19.—Before relinquishing the executive chair to Governor Neff, who returned yesterday from a trip to Panama, Acting Governor T. W. Davidson sent a telegram to Ranger Captain Nichols, stationed here, asking the officer to give all possible aid in the apprehension of parties who killed Ike Buffin, negro farmer, near Waskom, Texas, it became known here today.

Captain Nichols has stationed two rangers at Waskom to assist in the investigation of the slaying.

Buffin was shot to death last Saturday night by a party of white men who called him from his home. The assailants then drove off in an automobile. The grand jury is expected to resume investigation of the affair today.
